

## **Privacy Policy**

This website is secured with an SSL Certificate. I do not track user interaction nor do I use any Third Party Data Processors. Furthermore, I only use strictly necessary first party cookies which guarantee that the website functions as intended. You can, of course, deactivate cookies in your browser at any time. Should you choose to contact me using the email link, none of the data that you supply will be stored by this website. My SMTP servers are protected by SSL, meaning that the email content is encrypted. However, I suggest that you always consider email as an insecure medium and not include personal or otherwise sensitive information within an email. The external links on this site are being provided as a convenience and for informational purpose only, not as an edorsement. I bear no responsibility for the content of external sites or for that of subsequent links.
